

Pictor Observatory

Terms and conditions of rental and use

The Pictor observatory is privately owned therefore it is mandatory for the client to agree to the terms and conditions of use.

The observatory equipment represents a value of 115.000 Euro and is fully setup for automated observations.

The owner presupposes that the client handles the observatory with the necessary expertise and care.

Strictly prohibited are following points:

- **Any change to the mechanical or optical setup**
- **Recollimation of the telescope**
- **Cleaning of optical surfaces**
- **Change of polar alignment**
- **Rotation or removing of the imaging camera**
- **Use of piggyback equipment**
- **Daylight observations**
- **Any change to the software configuration**
- **Any changes to the security cameras, All-Sky and weather monitoring system**

Any damage or malfunction of the system is to be reported to Mr. or Mrs. Schreiber. The customer is liable for any damage caused by improper use of the observatory. The rental price is to be paid directly to the observatory owner.

I agree to the above terms and conditions.
